EDITING NOTES

And we've reached the end. We hope you've enjoyed this MOOC and these weeks of work and collaborative learning.
Having these skills will help you to have a better performance, to be a professional adapted to the new environment and, therefore, more attractive in the labor market.

Close-up of the trainer for a few seconds holding a sign showing his/her full name.

It's time to continue training, improve every day and apply all your talent, being the real star of your professional career, communicating more effectively, enjoying teamwork and being a motor of positive changes.
